Tracy Miller (District 4)

Tracy worked in the dual capacity of teacher and administrator at Towson University from which she recently retired after 40 years.

The mother of two sons, and the proud grandmother of a granddaughter, Tracy became a Gold Star mother when her younger son, Nicholas Ziolkowski, was killed in Iraq. A scholarship she established in Nick's name helps to fund veterans at Towson University. Another scholarship at The Boys' Latin School of Maryland has assisted almost ten boys. Tracy's older son, Peter, lives in Minnesota with his wife and daughter.

Concerned with securing appropriate rights for veterans of Afghanistan and Iraq, Tracy testified in Annapolis on a bill which was subsequently passed by the Maryland General Assembly. To further this involvement, Tracy worked with Towson University to implement a "Thank-You Grant" for recent veterans. This involvement led to the founding of the Towson University Veterans Center.

During a previous term on the Board of The Ruxton-Riderwood-Lake Roland Area Improvement Association, Tracy served on the Nominating, Events and Membership committees. She lives in Ruxton Crossing.
